

WELCOME WARRIORS!

Incoming Students,

On behalf of Texas A&M University - Central Texas, we welcome you to our family and to *Life's Next Chapter!*

Texas A&M University - Central Texas offers many rewarding and rigorous academic programs. Within the Division of Student Affairs we strive to provide unparalleled learning experiences that compliment your academic interests within an engaging, inclusive, and supportive environment.

As you begin your journey, know that there are many support structures designed to enhance your academic experience and provide the support you need to thrive socially, academically, and professionally. Our Office of Student Activities encourages students to become part of the university community; there are many special events, service learning opportunities, student organizations, and health and wellness programs. The Office of Academic Support Programs exists to ensure students are fully supported academically; students have access to free online and face-to-face tutoring and writing support, disability support programs, testing services, and study abroad and international student programs. Our Office of Career Services allows students to develop professionally and begin refining various skills needed to become more connected to a future career. Career Services offers various online and print resources, resume/cover letter/job application critique, mock interviews, internships, career search job database, career coaching, etc.

Being part of the TAMU-CT family means you are now a part of a high quality, rigorous, and innovative community of lifelong learners. We hope you strive for excellence, compassion, integrity, knowledge, diversity, initiative, and collaboration while you are on our campus and long after as a contributing alumni. As a student, if you find yourself in need of support, please do not hesitate to contact our offices at 254-519-5721.

GO WARRIORS!

A handwritten signature in black ink that reads "Brandon Griggs".
